is the equal  
distribution of poverty.

**Socialism**  
is the equal  
distribution of poverty.

If God had wanted us to  
vote, He would have  
given us candidates.

If God had wanted us to  
vote, He would have  
given us candidates.

If God had wanted us to  
vote, He would have  
given us candidates.

It's dangerous to be  
right when the  
government is wrong

It's dangerous to be  
right when the  
government is wrong

It's dangerous to be  
right when the  
government is wrong

**Earth First!**  
We'll strip-mine the  
other planets later.

**Earth First!**  
We'll strip-mine the  
other planets later.

**Earth First!**  
We'll strip-mine the  
other planets later.

I am not a number.  
I am a free man.

I am not a number.  
I am a free man.

I am not a number.  
I am a free man.

If government were in  
charge of sex, we'd be  
extinct.

If government were in  
charge of sex, we'd be  
extinct.

If government were in  
charge of sex, we'd be  
extinct.

**Government:**  
get out of my bed and  
my pocketbook.

**Government:**  
get out of my bed and  
my pocketbook.

**Government:**  
get out of my bed and  
my pocketbook.
